Subject:- Disposal of Construction & Demolition waste and utilization of recycle material.

Sir,

Disposal of Construction & Demolition (C&D) waste and utilization of recycle material is being monitored at the highest level including PMO. As your organization is involved in massive construction activities, the report for the compliance of the same from your organization has not received with regard to C&D waste generated, disposal & quantities of recycled product utilized in the work.

In compliance to the C&D Waste Management Rule 2016, East DMC has already a C&D waste processing facility at Shastri Park and large quantity of recycled material e.g. soil, sand, recycle aggregate and concrete bricks etc are available. It was also informed by the facility operator at Shastri Park Plant that your organization has not lifted any recycle material from this facility.

East DMC has already requested your organization for providing above mentioned details and utilization of recycled material vide letter no. CE/EMS/HQ/2018-19/D-66 dated 01.06.18 and CE/EMS/HQ/2018-19/D-106 dated 15.06.18 in the construction work in your organization to meet the provisions of C&D Waste Management Rule 2016.

You are therefore requested to issue necessary instruction to the concerned officer to send the above said report and ensure utilization of recycled material from the C&D Waste processing facility at Shastri Park so that the directions issued from highest level are complied with.
