Sub: Training Programme on “Quality Control and Quality Assurance in Concrete Construction including Extreme Weather Concreting” to be held at NCB-Ballabgarh from 06-10 August 2018.

CALL FOR NOMINATIONS

Dear Sir/Madam

NCB's Centre for Continuing Education Services (CCE) is organizing a five-days Training Programme on Quality Control and Quality Assurance in Concrete Construction including Extreme Weather Concreting at our Ballabgarh Unit commencing from 06-10 August 2018.

The course aims at imparting updated knowledge on quality aspects of concrete making materials, mix design, quality and durability of concrete, evaluation techniques etc. It is designed for civil engineers, site engineers, supervisors, concrete laboratory engineers, RMC plant engineers. A brief note setting out the course contents, venue, fee etc is overleaf for your perusal. The programme will bring together the professionals of various organizations from all over the country to share their experience and exchange of ideas.

We hope you will find the programme beneficial and nominate as many participants as possible from your esteemed organization. Please send us the nominations well in advance, preferably before 30 July 2018, by returning the enclosed enrolment form duly completed, as it will help us to plan and conduct the programme in the best possible manner.

Thanking you and assuring you of our best services.

Yours faithfully

For National Council for Cement and Building Materials
