Subject: No Dig India Show 2018 - "International Conference & Exhibition on Advancing Trenchless Standardization"

October 1, 2018

Dear Sir,

I am pleased to write about No Dig India Show 2018 International Conference & Exhibition on "Advancing Trenchless Standardization", India's leading and only forum for city subsurface infrastructure and sustainable urban development.

For past few decades, "No Dig India Shows" organised by Indian Society for Trenchless Technology, have been the instrument for bringing the latest subsurface construction and management technology from around the world to the Indian subcontinent. The 2018 event is being organized at CIDCO Exhibition Centre, Navi Mumbai on 14th & 15th December 2018.

This year exhibition and conference will focus on strategies, best practices and display and demonstration of new emerging technologies and solutions for implementing ongoing urban missions and many reconstruction and urban renewal projects leading to large scale subsurface construction activity. The strategies and solutions will cover technologies for water and wastewater, sewerage, power transmission, petrochemical & gas lines, roads, highway and railway crossings sustainable infrastructure development & guided by 10 Internationally renowned Keynote Speakers.

It is also my pleasure to highlight here that Municipal Corporation of Greater Mumbai (MCGM) is one of the leading "Supporting Partner" whereby MCGM shall be benefiting through deputation of their engineers, participation in the focused round table on Trenchless Technology, Trenchless code formation process & other related actions like Standard Operating Procedures establishment. The same could be replicated for other civic authorities like your organization.

In addition, this year event will also feature INDSTT Trenchless Excellence Awards to recognize and honour valuable contributions and work of the Indian Subsurface Construction and Management Fraternity that has significantly enriched the subsurface construction domain and has helped bring about a positive change in our construction practices. Nomination details and guidelines are enclosed with this letter.

Through this letter, we invite you to be the part of this year No Dig India Show 2018 by nominating your engineers and officials. This year event stands to provide excellent opportunity for your engineers and officials to interact with the industry leading subsurface equipment and machinery manufacturers and experts from around the globe associated with large scale construction and use of trenchless technology in infrastructure and hence your active participation is proposed.

For your ready reference, we are also enclosing herewith the detailed brochure of the event.

Thanking you,

Yours sincerely,

Dr. Niranjan Swarup
Director General

Encl: As above
No Dig India Show 2018
14th & 15th December 2018
CIDCO Exhibition Centre, Vashi, Navi Mumbai

www.indstt.com
1. APPLICATION FOR SPACE: All applications for participation as an Exhibitor shall be made on the prescribed Space Reservation Form. The form shall be submitted to the Organiser. The Organiser has the sole right to determine the eligibility of any prospective participant (Exhibitor) to take part in the exhibition.

2. ALLOTMENT OF SPACE: The Organiser has the sole right to allot appropriate space (by way of stall or open space) to an Exhibitor. The Organiser further reserves the right to reallocate the Exhibition to any other sector or stall at that time, if, at its discretion, it may so require. The Organiser reserves the right to restrict any stall or space to the allotted area, i.e., any installations or extensions are not included in this rent. The decision of the Organiser with regard to the allocation of space shall be final and binding on the Exhibitor.

3. CANCELLATION OF CONTRACT AND WITHDRAWAL BY EXHIBITOR: Cancellation of booked space on or before 1 July 2018 - 100% refund of payments received & credited into our account until the date of cancellation. Cancellation of booked space on or between 2 July 2018 and 1 Oct 2018 - 50% of the invoice value will have to be paid to the Organiser immediately. Reduction of originally booked space on or between 2 Oct 2018 and 20 Nov 2018 - Exhibitor will be invoiced for 50% of the released/reduced space cost in addition to the space cost for the eventual space booked after reduction. Cancellation or reduction of booked space on or after 20 Nov 2018 - 100% of the invoice value will have to be paid to the Organiser immediately.

4. FAILURE TO OCCUPY SPACE: Should an Exhibitor fail to occupy the allotted space due to any reason, the fee paid shall be forfeited.

5. HANDLING AND USE OF EXHIBITS: The Exhibitor shall bear all responsibility for damage to the display, and for the removal of any展品 not in accordance with the regulations of the Organiser. The Exhibitor must take all necessary precautions to ensure the safety of the public and their property.

6. EXHIBITION REMOVAL & WRAP-UP: Exhibitor will vacate and hand over the exhibit space to the Organiser by 10pm on 15 December 2018. Failure to comply with this deadline will result in the exhibitor being charged for any additional space used.

7. DAMAGE TO PROPERTY: The Exhibitor is liable for any damage caused to the building, floor, walls, doors, windows, curtains, carpeting, and any fixtures and fittings provided by the Organiser. The Exhibitor must take all necessary precautions to ensure the safety of the public and their property.

8. EXHIBITOR'S PROMOTIONAL ACTIVITIES: All sales and/or promotional activities by the Exhibitor must be approved in advance by the Organiser.

9. NOISE & SMELL: The Exhibitor shall not be permitted to display anything, which causes offensive levels of noise, smell or other effects on the environment.

10. SAFETY: The safety of Exhibitors, attendees, and the general public is of paramount importance. The Exhibitor must comply with all requirements and safety regulations. All electrical wiring and electrical fittings must conform to the relevant standards and be approved by the Organiser. Display materials shall be used without the prior approval of the Organiser.

11. SECURITY: The general security of the show/exhibition grounds is arranged by the Organiser. The Exhibitor is responsible for the security of their own display, and any damages or losses incurred shall be borne by the Exhibitor.

12. INSURANCE: The Exhibitor shall be responsible for all losses or damage to their own display, and each exhibitor shall carry insurance against such losses.

13. RIGHTS OF EXHIBITION: The Exhibitor shall not reproduce, copy, or exhibit any work if the same is not protected by any copyright, patent, or other laws.

14. TERMINATION / DESTRUCTION OF EXHIBITION: If the Exhibitor fails to comply with any of the regulations, the Exhibitor will be required to vacate the space immediately.

15. FORBIDDER: The Exhibitor shall not be liable for any loss or damage caused by any act or omission of the Organiser.

16. INFRASTRUCTURE: The Organiser shall not be responsible for any unforeseen circumstances or events.

17. AMENDMENT OF RULES: Any amendment to these rules shall be subject to the approval of the Organiser.

18. NON-OBSERVANCE / DEFAULT: In the event of non-observance or default of any of the terms herein, including without limitation any rules or regulations framed pursuant to this contract, the Organiser or the Exhibitor shall have the right to terminate this contract with notice and retain all amounts received from the Exhibitor.

19. NO VENUE AGREEMENT: No verbal agreement between the Organiser and Exhibitor is valid unless it is confirmed in writing.

20. LIBRARY OF LIABILITY: The Exhibitor hereby agrees to indemnify and hold harmless the Organiser, the Organiser's employees, agents, and representatives from any claim or action arising from any act or omission of the Organiser or its employees, agents, and representatives.

21. ADMISSION: The Exhibitor must not operate any exhibit which the Organiser, in its discretion, considers to be inappropriate.

22. AGREEMENT TO THESE RULES: The Exhibitor agrees to abide by all the rules and regulations of the Organiser.

INDSTT TRENCHLESS EXCELLENCE AWARDS 2018

14th DECEMBER 2018, CIDCO EXHIBITION CENTRE, VASHI, NAVI MUMBAI
CALL FOR NOMINATIONS | LAST DATE FOR ENTRIES | 30th September 2018

Indian Society for Trenchless Technology (IndSTT) was set up with the objective of advancement of the trenchless engineering profession in various subsurface infrastructure disciplines like water, sewerage and drainage, telecommunications and power, oil & gas, and pollution control networks. To achieve this objective, IndSTT consistently promotes the Trenchless Technology (TT) in India and other South Asian nations by introducing trenchless techniques and nurturing their growth in this region with the stakeholders.

During last decade, the Indian Trenchless Industry has seen a remarkable growth. This growth has been achieved through advancement of technology, better working system and methodologies, newer materials and likewise other inputs. It has been supported by IndSTT, which works to standardize the application of trenchless techniques, provide guidelines & methodologies, and more importantly skilling the executing manpower. While INDSTT is working relentlessly to achieve the above through its training program, workshops, seminars, No Dig India Shows and by releasing guidelines and specifications for various trenchless techniques.

IndSTT is taking another important initiative of creating role models in the Trenchless Industry by recognising and honouring path-breaking achievements of individuals and organisations working in Trenchless Industry and following the best practices, while achieving project or program success by instituting ‘INDSTT Trenchless Excellence Awards’.

These awards are structured to acknowledge, recognize and applaud the excellent work and outstanding achievements of individuals and organisations. These awards are an embodiment of encouraging truly successful efforts that have made a mark on the industry in terms of delivering better outputs & processes and have been successful in creating higher benchmarks for the industry to help in technology growth & nation building. These awards are aimed towards motivating the individuals and organizations to raise their performance in their specific domains leading to significant contribution towards the growth & development of the Indian Subsurface Construction Industry.

These awards offer project owners, contractors, consultants, manufacturers, engineers and young professionals the opportunity to showcase their excellent work to the industry. There are 21 award categories with no restriction on the number of entries, allowing all businesses, irrespective of their size or specialisation, to compete for these awards by demonstrate their outstanding achievements.

Applications are short listed based on their conformity to the guidelines issued by INDSTT and information furnished by nominees for specific categories. The recipients are finalised on the basis of scrutiny of the applications by the Jury, interviews and site visits and finally presentation to industry stakeholders.
Women Can Apply

The awards cover the entire spectrum of the Indian Subsurface Construction Industry. All stakeholders from Government, Public and Private Sectors including NGOs are encouraged to participate in the process and send in their nominations in the categories mentioned.

Women are encouraged to apply!

Eligibility Requirements for Category 1 to 18

Applicant shall be evaluated on different parameters covering Technical Innovation, Social Impact, Environmental Impact and Sufficiency of Project Outcomes to establish excellency in the chosen category. Consideration for each award will be accorded based on the following criteria:

- **Technical Innovation (25% weightage in overall scoring scheme)**
  
  Should have made significant contributions towards the following criteria:
  
  - Evolution/Ingress/Induction of new/frontier technology
  - Uniqueness in innovation/work
  - Positive impact on the construction domain/implication to society
  - Building a replicable sustainable model of the research work/innovation
  - Health & Safety
  
  **Note:** Each criteria carries equal weightage of 5%.

- **Social Impact (25% weightage in overall scoring scheme)**
  
  Should have taken significant steps to address the following criteria:
  
  - Diversions, traffic jams, accidents, exhaust fumes
  - Removal of large volumes of material by road traffic causing congestion
  - Damage of streets, services, roads and pavement surfaces
  - Damage to trees and plants, removal of their food and water
  - Loss of access
  
  **Note:** Each criteria carries equal weightage of 5%.

- **Environmental Impact (25% weightage in overall scoring scheme)**
  
  Should have taken significant steps to address the following criteria:
  
  - Emission & air quality
  - Solid and liquid waste management
  - Noise pollution
  - Environment monitoring
  - Health & Safety
  
  **Note:** Each criteria carries equal weightage of 5%.
1. **Achievement Award for Best Driller of the Year**

Objective: To recognize outstanding technical and manual skills of individuals working on a Horizontal Directional Rig.

- Nominations to come from the Employer/Organization/User
- Should have certified skills or be subjected to post-application assessment
- Should be aware of Occupational Safety, i.e., Health and Environmental issues

In this category, all applicants shall be called to Vishwakarma Pratham (rural) Training Hub of INDSTT for demonstration of their skills. The evaluation will be carried out by INDSTT only. All costs for travel to and from Vishwakarma Pratham and lodging & boarding will have to be borne by the nominating organizations. In case of self-employed artisans who have been selected post scrutiny of their nominations, lodging & boarding may be provided by INDSTT.

2. **Achievement Award for Best Public Officer of the Year**

Objective: To recognize the public official who has undertaken exemplary initiatives/work which has facilitated growth and development of the infrastructure/construction sector.

- Officers having served Government/Public Sector Unit/Undertaking since the last 10 years are eligible to apply
- Nomination to be made by Self/Organizations
- Must have been engaged in public services for over 10 years
- Should have made significant contributions towards any one or all of the following during his/her tenure of service:
  - (a) Evolution/Ingress/Induction of new/frontier technology
  - (b) Adoption of global best practices for building competitive edge
  - (c) Human Resource Development
  - (d) Corporate Social Responsibility

3. **Achievement Award for Best Trenchless Technologist of the Year**

Objective: To recognize the Trenchless Technologist who has demonstrated exemplary initiatives/work which has facilitated growth and development of Trenchless Technology in infrastructure/construction sector.
• Nomination to be made by self/organizations.
• Must have been engaged in Trenchless activities for over 10 years
• Should have made significant contributions towards any one or all of the following during the previous year:
  (a) Evolution/Ingress/Induction of new/frontier technology.
  (b) Adoption of global best practices for building competitive edge.
  (c) Human Resource Development
  (d) Corporate Social Responsibility

Important information for submitting the nominations:

1. Nominations should only be sent where nominator is fully aware of the work and achievements of the nominee.

2. Award Applications/Nominations should be submitted in duplicate in hard copy, properly bound & indexed along with all supporting documents and soft copy in MS Word (.doc) format in a Pen Drive (Please write the name of the project and organization on the pen drive).

3. Please type or compose the nomination (all pages) on A4 size paper using black colour ink (for ease in scanning and photocopying).

4. In order to assist comparison of different nominees, achievements (basis of nomination) should be given under the following heads both in the nomination form and abstract sheet:
   (a) Highest technical/professional/academic qualification;
   (b) Only one set of published translated works/teaching & popularization aids/developed/activity kits, charts, manuals, etc.
   (c) Major achievements beyond official capacity; Impact of work or reach.

5. Site visit shall be undertaken by Jury members/INDSTT Evaluators to interact with management/individuals and other stakeholders to ascertain the levels of involvement, and the adoption of the following:
   (a) Engagement of skilled workers
   (b) Adoption of Global Best Practices in Project Management/Dispute Resolution/HRD/Finance/Site Management/Quality/Safety/Environment
   (c) CSR Activities
   (d) Social Benefits impact created by the project
   (e) Contribution of Individuals to the Project/Construction Industry
   (f) Research & Innovation

All expenses for arrangements towards travel, boarding & lodging for the site visit/interactions (if required) will be borne by the applicant/company/organisation/firm.

The site visit / management interaction will focus on project / organization and beyond based on the application submitted to the secretariat.

For consideration of the application for scrutiny, all Nominations must have the following information:

• Nomination Proforma: Duly signed and stamped with all relevant information.
• Annexure – A: Applicant to ensure that replies to all points mentioned in Annexure – A are separately documented and all supporting references are enclosed with the Nomination Proforma.
• Statement of Significance/Achievement by the Organization in nominating Award.
• Photos (optional).
• Previous recognition letters/certificates/rewards received.
• Newsletters/Videos/Paper cuttings in support of your nomination.

Jury

A Jury consisting of representatives of Planning Bodies, Policy Formulators and Nodal Organizations of the sector will be constituted by INDSTT to select the Award Winners and any recipient of a 'Citation'. The decision of the jury shall be final and not subject to appeal.

Recognition

Winners of Awards and recipients of Citations will be recognized across all INDSTT and Associate Organization Publications & Websites.

This is a First Information Booklet. Guidelines subject to change at the discretion of the Jury.

For further details please visit www.indstt.com or speak to any member of INDSTT Team.

All nominations must be submitted to Indian Society for Trendless Technology for consideration at the address given below:
