विषय :- One day conclave on "Use of Technical textile, Fly Ash & C & D waste in Civil construction"

Dear Sir,

CPWD is organizing, "One day conclave on "Use of Technical textile, Fly Ash and C & D waste in Civil construction" on 17.12.2018 at Vigyan Bhawan, New Delhi and more than 200 delegates from all over India and abroad are expected to participate. Experts from the field of Technical textiles, Fly ash and C & D will be presenting papers and taking part in discussion. Conclave brochure containing the theme of the conclave is being sent separately.

It is requested to kindly nominate 05 delegates from your organization for the conclave in which there will be ample opportunity for the delegates to interact with experts and delegates to enrich their knowledge. There is no delegate fee to attend the conclave though the delegates are to make their own arrangements for the stay and transport. It is also requested to send papers on use of Technical textiles, Fly Ash or C & D waste products latest by 20.11.2018.

Finally, Conclave brochure.

One day Seminar on

"Use of C & D Waste, Technical Textile and Fly Ash Products in Civil Construction"

Venue: Hall no.5, Vigyan Bhawan, New Delhi.

Date: Monday, 17th December, 2018 : 10 AM to 5.30 PM

As a rapidly progressing India builds its physical assets from habitats to highways to ports and power plants, the collection, segregation, recycling, treatment and disposal of construction and demolition (C & D) waste and fly-ash in an environmentally sound manner has become critically important. Linked to this challenge is the use of Technical Textiles for multiple uses ranging from dust control to stabilization of slopes in municipal solid-waste dumps. The Government of India is actively putting in place a regulatory framework for the same which includes the notification of the Construction and Demolition Waste Management Rules, 2016.

The Central Public Works Department under the guidance of the Ministry of Housing and Urban Affairs has been issuing guidelines, schedule of rates and circulars for various stakeholders effectively setting the standards for use of products made from C & D Waste, Technical Textiles and Flyash. CPWD has been using C & D Waste Products in several of its projects including the Additional Office Complex for the Supreme Court of India, New Delhi. It has also included C & D Waste Products items in the Delhi Schedule of Rates.

As part of its efforts in knowledge sharing and experiential learning in the field of C & D Waste, Technical Textiles and Flyash, CPWD is organizing a one-day seminar of practitioners, experts, government and industry representatives and academics on 17th December, 2018 at Vigyan Bhawan, New Delhi.

Who should attend:

Nominations are invited for paper presentation and for delegates from Central Govt. departments and PSUs, State PWDs and PSUs, private sector companies, academics, consultants and experts in the field of C & D Waste, Technical Textiles and Flyash.

Nominations are to be sent by 5 PM on 7th December 2018 to the following:

Sh. Diwakar Agrawal,
Superintending Engineer (TAS), CPWD,
Room No. 418, "A" Wing, Nirman Bhawan, New Delhi – 110011;
Ph: Mob. +91-9711084544; Landline : 011-23062339; Email : 39wu@cpwd.gov.in
Delegate Fees:

There is no delegate fee to attend the seminar but the delegates are to make their own arrangements for the stay and transport. Delegates are required to pre-register for the seminar. Only delegates whose nominations are accepted by CPWD would be allowed to attend the seminar.
