Sub:- Advice of Central Vigilance Commission-Action to be taken by concerned Department/Autonomous Bodies-regarding.

Sir/Madam,

I am directed to say that Central Vigilance Commission acts as an Apex Body for rendering impartial and objective advice to the CVOs, disciplinary authorities and other authorities in the vigilance matters and vigilance related cases, where in a public servant is alleged to have acted for an improper purpose or in a corrupt manner in discharge of his/her official duties. In various cases, the CVC provides advice for initiation of disciplinary as well as criminal proceedings against a Government servant. The concerned disciplinary authority/ administrative department has to take a prompt action on the advice of the CVC so that the same could be taken to their logical end expeditiously.

In this regard, it is informed that this Directorate has observed that some of the authorities/departments are not dealing diligently with the advice of CVC for initiation of disciplinary proceedings against a Government servant and that too for a considerable period of time, without any justifiable reason. In all such cases, CVC takes adverse view against the authority responsible for delay.

It is, therefore, requested to kindly sensitise the officers/officials dealing with the vigilance matters, especially in which advice of CVC has been received, to monitor each and every case diligently as well as promptly so that prompt action could be taken in the vigilance matters. Any lapse on the part of any officer(s)/official(s) in this regard would attract initiation of disciplinary proceedings against him/her under relevant rules.

Yours faithfully,
