**Subject: Nomination of Delegates for Mid Term Session & National Seminar on 'Environment Preservation in Sustainable Development' to be held on 7-8 April 2017 at Chandigarh**

Sir,

Indian Buildings Congress will be holding its Mid Term Session & National Seminar on "Environment Preservation in Sustainable Development" on 7-8 April, 2017 at Chandigarh. Members of the IBC and professionals of Govt. Departments, Housing Boards, Development Authorities, Town and Country Planning Organisations, State PWDs, Urban & Rural Development Departments, Municipalities, Railways, HUDCO, MES, CPWD, Teaching & Training Institutes, Technical Universities, Builders, Developers and all others connected with design, planning, construction and maintenance of buildings are cordially invited to participate. Invitation Brochure will be sent to you subsequently.

The energy consumption in developed countries is several times more than that in the developing countries. Available sources of energy cannot sustain this higher consumption by such a large population. Energy and environmental concerns are, therefore, of great importance. Air, water pollution and wastes, entering the environment are adversely affecting the quality of life. With the industrialization and mechanization, global warming is taking place due to increased levels of green house gases. The Seminar will deliberate on various aspects of the theme and evolve policies & guidelines that, could bring improvement in levels of environmental sustainability of the built environment. Deliberations are planned to be held under the following sub-themes, viz Environmental Concerns including Impact Assessment; Environmental Legislation; Sustainable Building Materials; Energy Conservation and Renewable Energy Resources.

IBC, invites nominations from your Department in order to enrich its deliberations. IBC would be grateful if good numbers of delegates are nominated for this Mid Term Session & National Seminar, to give them an opportunity to familiarize with available means of Environment Preservation for Sustainable Development in the Country.

Life Members of IBC will be free delegates. For Non-Members, Registration fee for Delegates sponsored by Institutional Members, Educational & Training Institutes is ₹.3,000/- and for others is ₹.3,500/-. Service Tax/GST as may be prevalent will be extra. Payment for Registration fee is to be sent through Demand Draft/Multicity cheque drawn in favour of "Indian Buildings Congress" payable at New Delhi to Honorary Secretary, Indian Buildings Congress, Sector VI, R.K. Puram, New Delhi-110022.

The boarding & lodging of the delegates will be provided by IBC free of cost for 7<sup>th</sup> & 8<sup>th</sup> April 2017. It is requested that the list of nominated delegates containing names, designations and full address including Email ids may kindly be sent to IBC's HQ before 25<sup>th</sup> March 2017 so as to enable IBC to make suitable arrangements. For latest updates, keep visiting IBC website: [www.abc.org.in](http://www.abc.org.in).

An Application Form for becoming Life Member of IBC is enclosed. Details of Entrance Fee & LM Fee are given on the Form. Service Tax/GST as may be prevalent will be extra.

**Wishing you Happy & Prosperous NEW YEAR 2017**

Regards,

Yours faithfully
