D. S. Sachdev
(former DG, CPWD)
Director, Executive Training, ITBP

Dear Shri Srivastava,

I take the opportunity to inform you that One day training programme on 'Tile Master Training for Engineers/Professionals' is being organized by IBC Institute for Training of Building Professionals (ITBP) in collaboration with Confederation of Construction Products and Services (CCPS) and Somany Ceramics Ltd. on 16 March 2017 at IBC, HQ, Sector VI, R. K. Puram, New Delhi 110022.

As we all are aware that the tiling work in walls and floorings in Government Projects is much short of expected quality. The finish thus obtained, in general, is of average if not poor quality. This is basically because of two reasons, one being lack of skilled tile layers engaged on work and secondly lack of awareness among the Engineers supervising the construction and maintenance works involving tile laying.

This programme is therefore, intended to cover various types of tiles, art and technique of tile laying with advanced construction tools to bring a tangible improvement in quality of tile work, reduction in wastage, assuring clean, noise and dust free environment and free from dependence on power supply resulting in increased productivity by about 15-25%. Demonstration of use of advanced tools kit, manual tile and hole cutting, laying of floor/wall tiles, use of adhesives and grouts will also be given. The programme would be very educative and beneficial for the technical personnel. Therefore, we request you to kindly nominate Engineers/Architects/Supervisors at EE/AE/JE level from your organization to attend the programme by 10th March, 2017.

The fee for this programme is fixed at Rs.4500/- plus 15% Service Tax per participant. The cheque may please be drawn in favor of "Indian Buildings Congress" payable at New Delhi and sent to Indian Buildings Congress, Sector VI, R. K. Puram, New Delhi 110022. The proposed schedule for training is enclosed herewith.

We look forward to your active participation for the success of this programme. As the seats are limited, an early confirmation with the details of officers nominated to attend the programme would be highly appreciated.

With Regards,

Yours sincerely,

(D. S. Sachdev)
