### OFFICE MEMORANDUM

It has been noticed that in some Delhi Govt. schools, the civil works are being taken up by concerned EE (Building) of one zone and the electrical works by concerned EE (Electrical) of other zone. To streamline the works being taken up by PWD in various Delhi Govt. Schools and to have a proper coordination with the Education Department at Chief Engineer's level, it has been decided that the civil & electrical works of a particular school shall be handled / executed by the same zone which is looking after the civil works of that particular school. The necessary handing over and taking over the electrical works of schools among EEs (Elect.) may therefore be carried out accordingly.
