Shri S.K. Srivastava
Engineer-in-Chief, Delhi PWD
MSO Building,
I. P. Estate,
NEW DELHI -110002

Dear Sir,

At the outset, I on behalf of IBC and my own behalf Wish A Very Happy New Year to You and your organization.

Institute for Training of Building Professionals (ITBP) under the aegis of Indian Buildings Congress is organizing Two-day Executive Training Program for Building Professionals on Repair & Rehabilitation of Concrete Structures including Water Proofing Techniques & Materials to be held on 30 -31 January, 2018 at IBC HQ, Sector VI, R.K. Puram, New Delhi -110 022.

This program is intended to expose the Building professionals at executive level to core issues related to restoration of old RCC structures. The course content will cover systematic investigation of distressed structures involving identification of causes of deterioration, condition survey, non-destructive testing and preparation of retrofitting and rehabilitation strategy duly indicating the repair materials and methodology including latest water proofing technologies.

This program will be conducted by a group of faculty drawn from the Building Industry involving the practicing Engineers. The issues will be deliberated by the participants with the faculty to ensure adoption of best practices in this field. We would, therefore, request you to kindly nominate a team of at least 5-10 Engineers at the level of SEs/ EEs / AEs (Civil) from your organization.

The fee for the program is Rs.6000/- plus GST as applicable per participant. The schedule for training program is enclosed herewith.

The nominations may kindly be sent / confirmed as early as possible preferably before, 19th January, 2018. We look forward to your active support for the success of this Program.

Thanks & Regards,

Yours Sincerely,

(D.S. Sachdev)
Director, Executive Training,
& Fmr. DG, CPWD
