indulgence in utilizing the Delhi State Govt facility by nominating officials from various departments as disaster risks are prevalent in each department and in fact in each walk of life.

CDMS has ventured to start two customized short term certificate courses, namely, "Industrial Security, Safety and Disaster Management" for 3 months (on Weekends) and 2 weeks (10 Days) course. These courses are scheduled to start from 14 April and 16 April 2018 respectively. It is reiterated that these courses would be beneficial to not only all departments under your command but in fact each and every department/office of Delhi Govt. It will be a giant step to make Delhi a Disaster Resilient State. The contents of the course have been specifically chosen after interacting with a number of international and national experts and reputed private sector units.

After successful completion of the course, the participants will be awarded certificate by the University, which will give them added advantage. The fees details are enclosed for your kind reference.

With profound regards,

Your's Sincerely

(Prof Amarjeet Kaur)
