Sub : Training Programme on "Repair and Rehabilitation of Concrete Structures including Water Proofing Materials and Techniques" to be held at NCB-Ballabgarh from 14-16 November 2018.

CALL FOR NOMINATIONS

Dear Sir/Madam

NCB's Centre for Continuing Education Services (CCE) is organizing a three-days Training Programme on **Repair and Rehabilitation of Concrete Structures including Water Proofing Materials and Techniques** at our **Ballabgarh Unit** commencing from **14-16 November 2018**.

The course aims at imparting knowledge on the required 'know-how' and recent developments in materials and techniques for repair and rehabilitation of concrete structures. It is very much useful for Civil/Structural Engineers, Consultants, Building Contractors and Concrete Technologists associated with maintenance, repair and rehabilitation of concrete structures. A brief note setting out the course contents, venue, fee etc. is enclosed for your perusal. The programme will bring together the professionals of various organizations from all over the country to share their experience.

We hope you will find the programme beneficial and nominate as many participants as possible from your esteemed organization. Please send us the nominations well in advance, preferably before **05 November 2018**, by returning the enclosed enrolment form duly completed, as it will help us to plan and conduct the programme in the best possible manner.

Thanking you and assuring you of our best services.

Yours faithfully
for National Council for Cement and Building Materials

Dr. N K Tiwary
