Subject: International Course on Dissemination of HDM-4 - reg. nomination

The CSIR-Central Road Research Institute, New Delhi, a constituent laboratory of Council of Scientific & Industrial Research, New Delhi is organizing an **International course on HDM-4 from 26 November to 07 December 2018** for the in-service highway and transportation engineers and planners at CSIR-CRRI, New Delhi.

Pavement maintenance management and Economic Evaluation of Road Projects is disseminated through this course. The main advantages of this course are foundation lectures delivered in first three days on HDM-4 data collection, road deterioration, pavement maintenance methods, simulation models, pavement management, traffic estimation, asset management and economic evaluation by our Scientists, which are the basic requirements for using HDM-4. Next seven days will be devoted for the development of operational Skill in HDM-4 and case studies through brief presentations, spreadsheet analysis, hands-on tutorials and one to one interaction. Special topics such as model calibration, strategy and program analysis will also be covered. Features added in advanced version of HDM-4 will be explained and demonstrated during the training programme.

You may like to **nominate few officers of your organization** to attend the international course. The course fee will be **Rs. 40,000/- + 18% GST per participant**. CSIR-CRRI gives the discount for students and group participants. Fee includes computer facility, internet browsing, course material, Tea and Lunch in working days, technical tour. It does not include the cost of boarding and lodging. Guest House / Hostel facility at CRRI may be booked for the confirmed participants on twin sharing basis (if requested in advance) by the organizer on first come first serve basis during course duration and the charges are as per the prevailing rule of CSIR. All payments are to be made in advance through e-transfer to the bank account details given below.
