Subject: Mid Term Session and Seminar on "Construction Management Tools, Modern Technologies and Materials in Built Environment" on June 21-22, 2019 at Pune.

Dear Sir,

Indian Buildings Congress (IBC) in association with Military Engineers Services (MES) is organizing its **Mid Term Session and Seminar on "Construction Management Tools, Modern Technologies and Materials in Built Environment" on June 21-22, 2019 at Pune.** A copy of Call for Paper is enclosed. Invitation Brochure containing detailed programme would be circulated in due course.

The main purpose of this seminar is to bring together Researchers / academicians / construction industries in this field to discuss major challenges, emerging management tools & technologies and the best practices. It is accordingly planned to deliberate on the subject under the subthemes, viz Project and Construction Management Techniques; Modern Construction Technologies; Innovative Construction Materials and the Case Studies.

IBC value your participation and seek your support by associating as a Co-organizer to the event at a modest contribution of **Rs. 3 Lakh.** As a **Co-organizer**, you may nominate **10** free delegates for participation in Mid Term Session.

I extend my personal invitation to you for kindly gracing the occasion. Your patronage and support will go a long way in making the event successful and in furtherance of the objectives of IBC. Nonetheless, the present Seminar would go a long way in supporting the policies of Government of India.

With regards,

Yours sincerely,
