### Office Order

**Sub:- Progress of desilting work and measures taken at water logging vulnerable locations.**

Desilting work being executed by road maintenance divisions is to be completed by 30th June, 2020 as target given to Apex Committee. Accordingly, it is hereby directed that AEs and JEs will submit certificate that 100% desilting work under their jurisdiction has been completed satisfactorily. The Executive Engineer will inspect 50% of his reach and certify completion of desilting work and Superintending Engineer will inspect 10% of his reach and certify completion of work.

Status of desilting of drains of other departments in reach of Executive Engineer and in vicinity of his reach is to be checked and reported by EEs.

Similarly, to ensure that adequate and appropriate measures have been taken at water logging vulnerable locations, EEs will inspect all points under their jurisdiction and submit report. Further, concerned SEs will also inspect 50% of vulnerable locations and submit report.

Certificate and reports through concerned CEs should reach this office by 02.07.2020.

Engineer-in-Chief
