**Office Memorandum**

During scrutiny of one of the Arbitration award, it has been noticed that no specific base rate of items were mentioned in the Proforma of Schedules under Schedule 'F' Clause 10 CA of General Condition of Contract for CPWD works forming part of NIT/Agreement. Rather, it was found mentioned as "Rates of IOCL" as base rate for bitumen. This has resulted in ambiguous interpretation by the Arbitrator and the award has gone against the department/Govt.

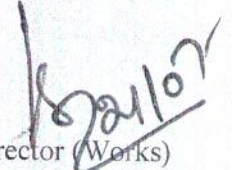

To avoid this, therefore, all NIT approving authorities are hereby once again enjoined upon to be cautious and mention clearly the market rate as applicable for base rate of item under Clause 10CA while approving the NIT.

This issues with the approval of Engineer-in-Chief.
