Dear Sri Raghunathan,

Please refer to your D.O. letter No. 10 (52)/97-PW-I dated 15.3.2005 and subsequent letter dated 24th May, 2005 regarding delegation of more powers and control to Delhi Administration for effective administration on engineers of Central Public Works Department (CPWD) working in Public Works Department (PWD) of Delhi. The proposals have been considered in this Ministry. Following decisions have been taken:-

- 27 Aug (PWD)
- (i) As regards delegations in the matter of further placement of engineers transferred to Delhi PWD, the Ministry will henceforth place the services of engineers of CPWD up to the level of Chief Engineer with Delhi Government and further postings of individual officers in zones/circles/divisions/sub-divisions can be made by GNCT Delhi. However, while making such internal transfers, Engineer-in-Chief, PWD shall invariably be consulted formally and in writing. It is to be further pointed out that guidelines issued by CPWD from time to time for making postings/transfers of CPWD staff (like posting in the field or Planning Units) may be strictly followed. It may also be ensured that only those officers identified by CPWD for being transferred back to CPWD, are relieved accordingly and no one else.

- (ii) As regards recording of ACRs of the staff posted in Delhi PWD, it may not be necessary and practicable to have dual Reviewing Authority for recording ACRs of Superintending Engineers. The ACRs of Superintending Engineers can be initiated by the Chief Engineer concerned who has actually seen the work for not less than three months and then further be reviewed by the Engineer-in-Chief. The Principal Secretary, PWD, Delhi, the next superior officer can be the counter-signing authority. Similarly in the case of Chief Engineers working in PWD of Delhi, the ACRs can be recorded and reviewed by Engineer-in-Chief and Principal Secretary, PWD, Delhi respectively. Thereafter, Chief Secretary, Government of NCT of Delhi, the next superior officer in the hierarchy may be the counter-signing authority instead of DG (Works), CPWD.
- (iii) Regarding delegation of disciplinary powers in respect of CPWD engineers posted to the Government of Delhi, it may be stated that disciplinary powers in respect of Group 'C' & 'D' staff of CPWD already vest with SEs and Executive Engineers. However, in the case of Group 'B' staff, DG (Works) is the appointing authority. This Ministry is separately considering the issue regarding delegating the disciplinary authority powers to the concerned Additional Director General and Engineer-in-Chief, Delhi PWD in respect of concerned Group 'B' staff of CPWD for imposition of certain minor penalties.

with warm regards,

Yours sincerely,

B. S. Lathi
(B.S. Lathi)

Chief Secretary,
Government of NCT of Delhi,
Delhi Secretariat,
