**Subject: Ensuring necessary facilities for voters, deployment of colour coding for each polling Station and setting up of Polling Station Locations on specific themes at -reg.**

Sir/Madam,

In view of upcoming Delhi Legislative Assembly Elections-2025 and as a part of our initiative to enhance the voter experience during the upcoming elections, it has been planned to establish "Polling Station Locations" on a **specific themes** to encourage voter participation. The list of Polling Stations along with the allotted themes has been enclosed as **Annexure-I**.

In this regard, your cooperation is requested in ensuring the setting up of the Polling Station Locations on these themes, for enhancing the voters' perception towards election.

Further, it is also requested to ensure provisions of necessary basic facilities at all the polling stations which include:

- i) Adequate heating arrangement in waiting rooms to ensure comfort for voters during cold weather.
- ii) Availability of clean and accessible drinking water for voters and staff.
- iii) Other Basic Amenities such as proper lighting, seating arrangements, and cleanliness at the polling stations.
- iv) Installation of ramps to ensure accessibility for persons with disabilities.

Your support in ensuring these facilities will not only enhance the voter experience but also contribute to the success of the election by creating a more accessible and inclusive environment. It is requested to direct the concerned officials to address these requirements, at the earliest.

Apart from these, the following points may also be ensured on each and every Polling Station at every Polling Station Locations under the purview of New Delhi District.

- i) The **colour codes** (as per **Annexure -II**) may be followed in case of multiple PS at same PSL. Colour coding is for pathways wherein pathways for all PSs shall be highlighted by putting strips of the said colour. Moreover, decorative balloons, Signages, all kind of posters/ banners as well as other items must be assimilated in that particular colour. It should also include draping on help desks, subsequent small gates and entry unit of that particular colour to highlight the entry into the PSs.
- ii) A separate and **dedicated waiting area** shall be established in order to provide added convenience to voters. In addition to this, Rubik's cube, Sudoku, crossword & other neutral reading materials, puzzles may be kept in the waiting halls to engage the voters while waiting.
- iii) Corresponding schools may be requested to conduct science/maths exhibitions wherein children may showcase their project to all voters.
- iv) Some Audio/ Speaker/ PA System arrangements shall be made available in order to guide visually impaired voters as well to make some announcement during polling process. These PA systems/ Speakers may also be used to play some soft background music specially of neutral nature and ECI approved songs (viz. Mai Bharat Hoon) and other songs made on Election Theme at all polling Stations to enhance the experience of voters.
- v) All schools & Colleges where Polling Stations are located may be directed to conduct some poster making art & other similar competitions on election theme. These may be displayed on the day of election for the voters.

- vi) Screens must be placed in sufficient numbers, both in queue areas and waiting areas wherein pre-approved videos, photos and posters may be played to engage the voters.
- vii) All Cantonment area Polling Stations which are managed by Delhi Cantonment Board shall carry a single theme which will contain rich history of weaponries/ frigates/ Aircrafts/ Aircraft Carriers etc. along with few ECI logos & voting theme. The posters for this shall also be pre approved.

Moreover, if Polling Stations are located in Delhi Cantonment Board Schools, these schools will also conduct Science/ Maths exhibitions as well as Art/pottery exhibitions and they may also try waste to art theme in these schools.

- viii) A proper design material may be finalized for these Polling Stations in coordination with SVEEP team. Such material shall be pre-approved from the level of CEO to avoid any controversy. Post-approval, such design may be communicated with Delhi Cantonment Board for further action.
- ix) Some donation boxes may also be put up in collaboration with NGOs for donation of books, shoes, sports equipment, clothes, toys, etc in vicinity of the PS premises.
- x) Moreover, the Forest Department may be roped in to provide free saplings at Polling Station exit, to the voters after casting their vote. An earmarked space and stall may be placed for this at every PSL. The Forest department may be directed to make similar arrangements at polling stations to facilitate distribution of such saplings to promote Green Environment.

This is issued with the approval of **District Election Officer**, New Delhi District.

Yours faithfully
