Sub: Implementation of Model Code of Conduct - Defacement of Property (Government/Public Places/Private Properties)- Delhi Legislative Assembly Elections -2025 -Regarding.

Sir,

I am directed to refer to the Election Commission of India's instruction dated 07.01.2025 on the subject cited above, wherein the commission has given directions with regard to Defacement of Property, as under:

1.(a) Defacement of Government Property-All wall-writing, posters/papers or defacement in any other form, including cutout/hoardings, banners, flags etc., on Government property shall be removed **within 24 hours** from the announcement of elections by the Election Commission.

1(b). Defacement of public property and misuse of public space- All unauthorized political advertisement, in the form of wall writing/posters/papers or defacement in any other form, cutout/hoardings, banners flags etc. at public property and in public space like railways station, Bus stands, Airports, railways Bridges, Roadways, Government buses, Electric/Telephone Poles, municipal/local bodies, buildings etc., shall be removed **within 48 hours** from the announcement of elections.

1(c) Defacement of private property- All unauthorized political advertisement displayed at private property shall be removed **within 72 hours** from the announcement of elections by the Election Commission.

In this regard, though daily report on defacement of properties have been received from all the Local Bodies, the removal of defacement is not upto the mark as many unauthorized political advertisements in the form of posters, banners, wall-writings, hoardings etc. are still visible in many places in the city.
