SUB: BACKFILLING MATERIAL

Dear Sir,

1. M/s BEL a public sector enterprise under Ministry of defense (Project of national importance) is executing a defense project in Indian Air Force station Arjangarh, New Delhi. A huge quantity of good earth i.e. Approx 1,50,000 Cubic meters is required within 2-3 months for back filling purpose for this project.
2. Understanding from reliable source that some handful quantities of good earth are generating from your different infrastructure project sites in Delhi-NCR which are to be disposed off.
3. To mitigate reciprocating demand of our requirement of backfilling material and your requirements of disposal it may be proposed to your good self to cater the materials for our purposes as per your conditions.
4. We would assure you that any transit arrangements if necessary for transportation of good earth from source shall be arranged by our self.
5. For your information and necessary actions please.

Thanking You,
For Bharat Electronics Limited,
