Sub : Training Programme on "Design, Construction and Quality Control Practices for Concrete Roads for Highway & Low Volume Roads" to be held at NCB-Ballabgarh from 23-25 October 2018.

CALL FOR NOMINATIONS

Dear Sir/Madam

NCB's Centre for Continuing Education Services (CCE) is organizing a three-days Training Programme on **Design, Construction and Quality Control Practices for Concrete Roads for Highway & Low Volume Roads** at our **Ballabgarh Unit** commencing from **23-25 October 2018**.

The course aims at equipping the participants with required 'know-how' in design, construction, quality control practices including recent developments in concrete highways. It is designed for Design/Civil Engineers, Concrete Technologists, Consultants and Quality Control Personnel and Supervisors engaged in Construction of Concrete Roads. A brief note setting out the course contents, venue, fee etc is enclosed for your perusal. The programme will bring together the professionals of various organizations from all over the country to share their experience and exchange of ideas.

We hope you will find the programme beneficial and nominate as many participants as possible from your esteemed organization. Please send us the nominations well in advance, preferably before **16 October 2018**, by returning the enclosed enrolment form duly completed, as it will help us to plan and conduct the programme in the best possible manner.

Thanking you and assuring you of our best services.

Yours faithfully
for National Council for Cement and Building Materials
