Oct 25-26-27 2018 • Bombay Exhibition Centre, Mumbai

To,

Shri. Rakesh Kumar Agarwal
Engineer In Chief
Delhi Public Works Department

Subject: Invitation to Asia's largest integrated shows on Traffic – "TrafficInfraTech Expo" and "Parking InfraTech Expo"
Bombay Exhibition Centre, Mumbai at 10:00 am October 25 – 27, 2018.

Dear Sir,

We are happy to invite you to the 7th edition of TrafficInfraTech Expo along with Parking InfraTech Expo will be held at Bombay Exhibition Centre, Mumbai from October 25 – 27, 2018.

Organised by Virtual Info Systems, the Expos under the banner Smart Mobility form a unique platform bringing together the Government, Traffic / Transport related departments, Policy Makers, Enforcement Authorities, Infrastructure Developers and the Technology providers. The event with multiple pavilions, will showcase the latest in Traffic Management Technology, Intelligent Transport Systems, Parking, Tolling, Safety & Security, Mass transport and Road infrastructure. Hundred Fifty companies across the globe will be showcasing the latest technologies and services.

Public Works Department is the most important Government arm engaged in planning, designing, construction and maintenance of Government assets in the field infrastructure development. It is for this reason we believe that TrafficInfraTech Expo / Parking InfraTech Expo is a great platform for PWD to view the various traffic technologies available globally and find the right vendors for all the projects. The event also provides opportunity for networking and knowledge sharing.

There will be a three-day Conference happening along with the Expos covering Infrastructure, Technology Safety and Transformative mobility solutions for India.

We look forward to yours and your team's esteemed presence at the expo & conference.
You may also like to give directive to the concerned departments to attend the event.

Thanking you,

Mangala Chandran
