Dated 28.03.2024

OFFICE MEMORANDUM

Subject: Handing over of completed projects of Flyover Zone to respective Maintenance Units.

For timely and effective maintenance of flyovers/ elevated roads/ bridges etc. , it is decided that:-

- (i) For timely repair of structural members, original agreement should be handled by Flyover Team till defect liability period of all component is over.
- (ii) Routine maintenance works like painting, desilting, re-carpeting, pothole repair, road marking, signage, minor repair etc. should be done by Maintenance Team. In this regard, supplementary agreement for maintenance with the main agency may be prepared.
- (iii) Maintenance unit should continue to inspect the flyovers/ underpass/ bridges in general and intimate any defect/ deficiencies in the structural member for information to Flyover Unit. This will not require specific efforts by Maintenance Team as length of flyover is 1-2 Km and jurisdiction of Maintenance Division is around 100 Km. On the other hand, Repair and Rehabilitation unit under Flyover Zone has only 01 AE & 01 EE and will be difficult for him to inspect 100 Nos. flyovers scattered all over Delhi.

This issue with the approval of the Engineer-in-Chief, PWD.
