OFFICE MEMORANDUM

There is provision of assured career progression amongst Government employees through modified assured career progression (MACP) Scheme. The purpose is to give the employees financial benefit, if not given functional benefit. There is provision of doing such MACP exercise every 6 months in the month of April and October of every year. The MACP needs to be extended to the eligible employees without any delay which is their right.

However, it has been seen that such MACP cases of eligible employees are abnormally delayed due to which significant grievances are received in PWD leading to resentment amongst such eligible employees.

In view of above, all Superintending Engineers are directed to furnish a report of such pending MACP cases with details of delay within 4 days along with action plan to complete such cases.

This issues with the approval of E-in-C, PWD.

(Suresh Pal)

Dy. Director (Estt.)
