### OFFICE MEMORANDUM

**Sub:** Ensuring Effective Road Maintenance and Monitoring- Regarding.

The poor conditions of roads i/c drains, channels and footpaths etc. has been noticed, which needs to be repaired. Also noticed that JEs/AEs aren't taking any action. Supervision/monitoring on part of EE/SE is also lacking.

In this regard, the following instructions are reiterated for strict compliance:

1. All JEs should go to their section daily and note the road conditions for repair and also report to their AEs.
2. These tasks should also be uploaded in E-Monitoring application of PWD.
3. AEs should also visit their jurisdiction separately and hold the JEs to the account if any requirement not noticed/reported by the JEs.
4. Action on such works should be taken immediately.
5. EEs/SEs should supervise and monitor the performance of JEs/AEs to ensure good road condition.
6. EEs and SEs should also ensure that all comprehensive tenders of road maintenance are awarded at the earliest which are not yet awarded.
7. CEs to submit updated information about tenders, as it has been directed earlier that such delay in award of maintenance tenders should not come on way of repair work and alternate method should be used.

All ranks and colours of PWD should show up their commitment to make clean and good roads of Delhi by performing their duties. Any lack of devotion to duties on part of any officer should be reported to CEs/Pr. CE (M&F)/ E-in-C.

**This issues with the approval of Engineer-in-Chief, PWD, GNCTD.**
