OFFICE ORDER

It has been noticed persistently that the printing quality in many cases submitted on physical Green Notesheets to office of ADG(Projects), PWD is extremely poor and sometimes not even legible which may be due to the reason of using poor quality refilled cartridges in the printers.

Consequently, all zonal & their subordinate offices are hereby directed not to the use the poor quality refilled cartridges in computer printers. This measure is intended to ensure the consistent production of legible and easily readable copies pertaining to all communications even when demanded by higher offices after a lapse of considerable period.

This issues with the approval of ADG(Projects), PWD, New Delhi.
