**INSPECTION REPORT OF SARVAGYA KR. SRIVASTAVA, CHIEF
ENGINEER IN RESPECT OF FLYOVER ZONE (F-1)**

DATED 01.5.2014

Inspected the site of construction of corridor improvement from Vikaspuri to Meera Bagh, then Mangolpuri to Madhuban Chowk and then Madhuban Chowk to Mukarba Chowk with PM, F-13 and held meeting with the concerned PWD officers and the representatives of the construction agency i.e. M/s Simplex Infrastructure Ltd. and M/s ITD Cementation respectively to emphasize upon the need for completion of C/o new drain, desilting of existing drains, removal of malba from the road and repair and carpeting of the pavement of the main carriageway as well as diversion created for execution of the work well before the monsoon. Desilting of the existing drains has to be completed before 15th May, 2014. Minutes of the meeting with the agencies regarding other issues are being issued separately.

On the way back, inspected the site of C/o of bridge across supplementary drain near Bhalswa with PM, F-13 and the concerned engineers of PWD and M/s CEC Ltd. Directions were given to complete entire pile work in the nallah bed along with C/o two sets of pile caps which are falling in the waterway of the drain before 31st May, 2014. The agency has to simultaneously carry out routine load test on the pile located near the embankment.
