**INSPECTION REPORT OF SARVAGYA KR. SRIVASTAVA, CHIEF
ENGINEER IN RESPECT OF BUILDING PROJECT ZONE, B-2**

Dated: 9-June-2014

Went to IIT Delhi to meet Professor Anoop Chawla of TRIPT to discuss about the proposed construction of parallel flyover on outer ring road at RTR Junction. Professor Chawla had written to Hon'ble L.G. Delhi offering a solution for making RTR and outer ring road junction signal free. The suggestion given by professor Chawla has already been considered during discussion at various stage in UTTIPEC. However, our consultant from RITES would discuss the plan with professor Anoop Chawla to explore the feasibility of incorporating any of the suggestions of professor Chawla to improve the movement of pedestrian and vehicular traffic at grade.
