**INSPECTION REPORT OF SARVAGYA KR. SRIVASTAVA, CHIEF
ENGINEER IN RESPECT OF FLYOVER ZONE (F-1)**

DATED 11.6.2014

Inspected Barapullah nallah along with PM F-12 and other officers of PWD and officers of M/s AFCONS Ltd. primarily to inspect removal of malba generated in the drain during the course of construction of the elevated road along the nallah in Phase-II. The water way from NDMC parking to Tyagaraj Stadium has been cleared. A cluster of Jhuggi is situated in this stretch. Few Jhuggis have extended their hutment towards nallah. PM F-12 to take necessary action to get such the extension removed and also inform concerned MCD officials about it.

The obstruction created near Sarai Kale Khan for construction of loop is to be removed by 15-06-2014. The agency has been asked to stop all works falling in the water-way of the nallah. The scaffolding erected for casting the pier cap should be removed and entire water way should be cleared by 15-06-2014.

Later on held the meeting with PM F-12 and the agency who have set-up the C&D Waste Recycling Plant at Kidwai Nagar to explore the possibility of having such plant for recycling of C&D Waste generated by PWD projects.
