Inspection Note

Sub: - Inspection Note for the work of "Comprehensive Development of Corridor (Outer Ring Road) between Mangolpuri to Madhuban Chowk".

Insepcted the site of Mangolpuri to Madhuban Chowk and took the round alongwith EE/F-134 and Mr. D. Trivedi, Project Manager of M/s. ITD on 30.06.2014. EE showed the location of poles of Haryana Electricity Board which needed to be removed near A-1. At number of locations, the newly constructed drain is to be connected with road as well as trunk drain. It was expressed that this should have been done much earlier and preferably simultaneously along with c/o drain. It was also noticed that at few locations, malba generated during desilting has not been removed which should be removed immediately. EE, F-134 informed that due to some dispute between various labour gangs, some labour has left the casting yard at Dheerpur causing shortage of labour. Matter was also discussed with Sh. H.C. Sharma of NDPL for expediting removal of 11 KVA lines on L.H.S. between Mangolpuri flyover and Budh Vihar Chowk as well as expediting the submission of estimate for removal/underground of cabling of 66 KVA line near Deepali Chowk. He assured to look into the matter and expedite the various issues on priority.
