**INSPECTION REPORT OF SARVAGYA KR. SRIVASTAVA, CHIEF
ENGINEER IN RESPECT OF FLYOVER ZONE (F-1)**

DATED 18.10.2014 (SATURDAY)

Inspected the site of construction of Barapulla elevated road Phase-II from INA Market to JLN Stadium. The deployment of labour at different locations was less than adequate. Dismantling of NDMC Parking has to be expedited. DMRC was discharging construction chemical into Kushak nallah near INA Market. The effluent had brown colour and slight smell which could be that of bentonite slurry. PM, F-12 to take up this issue with DMRC as well as inform MCD and ask the agency to expedite work on all fronts. Construction methodology of complete design along with Design Basis Report should be submitted to railways without further delay. Earlier the consultant had promised to submit all the details by 15th October, 2014 but the same has not been done so far.

**(Sarvagya Kr. Srivastava)
Chief Engineer (F-1)**
