**INSPECTION REPORT OF SARVAGYA KR. SRIVASTAVA, CHIEF
ENGINEER IN RESPECT OF FLYOVER ZONE (F-1)**

DATED 29.11.2014

Inspected the site of C/o Barapulla Elevated Road Phase-II near Sarai Kale Khan where launching and pre-stressing (post tensioning) of segments in loop 'A' and 'B' is going on. The inspection was carried out in the presence of EE, F-123 and the officers and engineers of the construction agency, M/s AFCONS Ltd. Grouting of segments where the pre-stressing plates are being provided should be done in future so that possibility of crushing of concrete is avoided under any circumstances.
