No. 23(15)/SE/C&amp;ND/PWD/2017-18/ 153

Date: 11-01-2018

**Inspection Note****विषय : Inspection carried out by CE (East) on 11/01/2018 pertaining to C&ND Road.**

CE(East) carried out inspection on 11/01/18 of C&ND Roads for ASEAN meeting preparation, Following directions were given:-

- 1) Subway near Times of India Building – The subway is maintained by DTTDC. Some kerb stone/paver blocks were seen near subway. These may be removed.
- 2) DDU MArg to Delhi Gate – At the turn, repair to manhole /footpath etc. is required.
- 3) Boundary wall of MAMC College – Letter may be written by EE, C&ND-R to SE (Health) regarding repair of boundary wall
- 4) Green area of central verge at Delhi Gate – Grill may be provided. In this regard, suitable design of grill may be shown to CE(East) for approval.
- 5) Delhi Gate X-ing – DMRC has been given list of defects by EE, C&ND Road (copy enclosed). Defects are still to be removed by DMRC. Matter may again be taken up with DMRC.
- 6) Possibility of planter may be seen at Delhi Gate central verge.
- 7) Delhi Gate X-ing – It needs to be improved for pedestrian traffic.
- 8) Street lights are not working at Delhi Gate which is still under DMRC. EE(E) to take up the matter with DMRC.
- 9) DTIDC is constructing a bus stop without any approval from PWD. EE, C&ND Road to take up the matter with DTIDC as mabla is lying there and work is being done in unprofessional way.

**10)Rajghat**

- (a) Repair to footpath, drain etc should be completed by 15.01.18.
- (b) Malba needs to be removed from planters so that horticulture work can be carried out.
- (c) Dry brick chamber may be provided in the green area for rain water disposal.

**11)Subway at Ring Road (WHO Building)**

- (a) Signboard may be provided for displaying opening and closing time of subway.
- (b) Subway needs extensive cleaning and repair for rolling shutter, doors fitting etc.
- (c) Art work may be carried out as per requirement.

## 12) NCAER Building – Adjoining Road

- (a) Malba needs to be removed.
- (b) Manhole cover should be depressed so that it should match with the surrounding level.
- (c) Pruning is required for proper lighting of the area.

Urgent action is required by all concern.
