**INSPECTION NOTE**

**Name of work: Upgradation and construction of an additional multi storey building in the premise of Forensic Science Laboratory, Rohini, Delhi.**

The subject work was inspected on 22/01/2021 by the undersigned and the following has been observed and corrective action shall be taken:

1. Strengthening of solidier piles bored for protection of adjoining building of TPDDL was in progress. The due care shall be taken for protection of the building as per the structural drawings submitted by the consultant.
2. Some portion of raft at multiple levels has been laid and it is being continued in the other direction. The next concreting shall always be done after applying the "Nitobond" so that the proper bondage develops between the old and new concrete.
3. There was honey combing in the starter of retaining wall of underground tank portion and the same shall be dismantled and redone.
4. The care shall be taken while concreting that the concrete is cleaned from the extended reinforcement of columns.
5. The dismantling of residential quarters was in progress. The malba shall be disposed off to the authorised C&D waste recycling plant.
6. The planning & orders of electrical component to be installed in the service block shall be completed by the agency so that the dismantling of existing service centre can be taken up immediately after the completion of new service centre along with the commissioning of electrical and civil services.
