No. B-31013/72/2020/UPC-I/
Sept. 17, 2020

OFFICE MEMORANDUM

Graded Response Action Plan (GRAP) under various categories of the National Air Quality Index (AQI) has been formulated and notified by Government of India on 17.01.2017 so as to control air pollution in Delhi NCR. The plan suggests graded actions for various sources of air pollution in Delhi NCR.

2. Dust from construction activities is one of the major source of particulate matters. In the past, during severe air pollution conditions, construction activities were closed. Some construction activities like interior decorations, fitting of electrical wiring/ appliances, laying of rails, etc. may not generate dust and such activities may be allowed to continue.

3. In view of the above, it has been decided to constitute a Committee under the Chairmanship of the Member Secretary, CPCB and comprising following members to examine the matter and make recommendations :

- Member Secretary, CPCB, Delhi
- Prof. Mukesh Sharma, IIT Kanpur
- Dr. Sumit Sharma, TERI, Delhi
- Member Secretary, Delhi Pollution Control Committee, Delhi
- Representative of NBCC, Delhi
- Representative of DMRC, Delhi
- Representative of CPWD, Delhi
- Representative of Delhi PWD, Delhi
- Divisional Head, UPC-I, CPCB, Delhi.

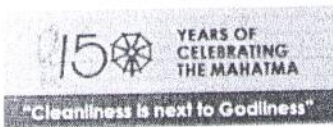

4. Terms of Reference of the Committee are as follow:

- Identification of stages/types/size of construction activities that generate dust pollution and activities that are less or non-polluting.
- The Committee may submit a consolidated report within two weeks.

Member Organizations mentioned in 3(v) to 3(viii) are requested to nominate a senior level officer to participate in the Committee and communicate the same by 18.09.2020 to nkgupta.cpcb@nic.in / upc1.cpcb@gov.in.
