**Note:- If any of the above official is transferred, the incumbent official shall discharge the duty.**

## INTRODUCTION

The PWD, GNCTD is responsible for 1280 Km of PWD road network in Delhi including 810 Km of MCD road network taken over by PWD. The department is also creating assets for the Govt. & maintaining them like Govt. office buildings, residential complexes, Bridges & Flyovers, Subways, underpasses etc. The PWD's Motto has always been "Building Delhi".

One of the responsibilities of PWD is to provide safe passage to the Public and visitors of Delhi, particularly during the Monsoon season.

The Monsoon season generally occurs every year from 29th June to 15th October, or when withdrawal of Monsoon is declared by Central Water Commission, whichever is later.

The territory of Delhi has been experiencing floods mainly from River Sahibi (passing through Najafgarh Drain in Delhi) and River Yamuna. The situation becomes alarming when these rivers are flooded coupled with local rains in the territory of Delhi. Drainage system gets overloaded causing water logging and flooding in the City.

A close liaison is maintained by PWD with GNCTD's flood control department and disaster management cell under Divisional Commissioner -cum- Principal Secretary (Revenue) which in turn have close liasoning with U.P. Irrigation Department for timely opening of gates at Chilla regulator and Okhla Barrage

### Central Flood Control Room of GNCTD

A Central Flood Control Room has been established to assist the Apex Committee which would function round the clock in the Office of the D.C. (East) L.M. Bund, Shastri Nagar, Delhi. w.e.f. 15th June 2016 to 15th Oct. 2016 or till monsoon withdraws, whichever is later. The S.D.M. Gandhi Nagar will be the Officer-in-charge of the Central Flood Control Room. Contact Telephone No. of this Control Room is 22050908 (Disaster Management cell).

### Urban Drainage - (Operation Mission)

For monitoring the activities of desilting of Storm Water drains, connecting drainage/ Sewerage and other problem, an Operation Mission was constituted by Urban Development department, Govt. of Delhi by UD deptt. Vide letter No. F-16(2)/95/UD/PS/194/5811/25 dated 9-5-1995. Its composition and activities have been notified as under:-

- |   |                    |
|---|--------------------|
| a) Engineer-in-Chief (Concerned M.C.D.)     | - Chairman         |
| b) Engineer Member- D.D.A.                  | - Member           |
| c) Chief Engineer, (I & F)                  | - Member           |
| d) Chief Engineer, (Concerned Zone), P.W.D. | - Member           |
| e) Chief Engineer (Civil), N.D.M.C.         | - Member           |
| f) Chief Engineer (C) II, D.J.B.            | - Member Secretary |

#### **The Operation Mission will continue to monitor the following activities:**

- i) Desilting of storm water drains.
- ii) Desilting of sewers.
- iii) Tackling the problems of drainage congestion wherever required.
- iv) Wherever possible to delink the sewer system from storm water drains.
- v) Certification of proper maintenance of Flood embankments, regulators/Sluice gates, Storm water & Sewage Pumping Stations, Mobile Pump Sets, D.G. Sets and desilting of Sewers and storm water drains.

A certificate shall have to be given that all trunk drains have been desilted / made free of any obstructions so as to make them fully operational and are in satisfactory state to carry the designed run-off.

Necessary arrangements and drills are made before monsoon to ensure that arrangements in PWD as regards Roads care are functional during monsoon.

**For Buildings,**

Roof tops are cleaned; drainage system/outlet points are checked thoroughly.

Pumping arrangements are made at vulnerable points.

Necessary materials required to tackle leakages in buildings are available at the enquiry offices of PWD.

**For Roads, Subways**

The drainage system is checked

The cleaning of all Drains along PWD roads is done by the PWD.

Locations / reaches which are vulnerable to water logging, flooding etc are shared with Civic bodies like MCD, NDMC, DJB, Traffic Police etc

Joint-inspections of vulnerable locations/reaches susceptible of water logging or flooding are carried out along with concerned officials of the civic agencies.

Road repairs are carried out before monsoon.

Pumping arrangements are made functional at such vulnerable points by the Electrical wing of the PWD and availability of Pump operators is assured round the clock during monsoon season.

Mobile pumps are also kept ready nearby the less vulnerable locations under the charge of concerned EE of the location.

Maintenance vans for emergency are also kept ready, one in each division under the charge of Executive Engineer (civil). This van is equipped with necessary road-repair materials, cold emulsion, Shelmac, Aggregates, Four workers and one mason etc for immediate repair of the damages occurred during monsoon. The time schedule for such minor repairs has been kept as **2 hours to 1 day** from the time of knowledge of such damages suo-moto or through PWD's central control room

For acute severe damages due to heavy rainfall etc. a time line of one week is fixed to repair.

### Modus Operandi

- Regular Review Meetings, Inspections are held at all levels upto Engineer-in-Chief, Principal Secretary, PWD for arrangements of tackling monsoon related problems.
- Vulnerable points/reaches are identified.
- Necessary arrangements for de-watering are made.
- Necessary arrangements of men, machinery and materials are made based on the experience of previous rainy seasons and made functional.
- A Central Control Room has been setup at PWD HQ i.e. at E-in-C/ PWD's office at 12TH Floor, MSO Building, I P Estate, New Delhi-110002 with **Phone Number 011-23490323** and **toll free no1800-11-00-93 working 24X7** manned by Assistant Engineers and Computer Operators.
- Control Rooms are also set up at Divisional levels which are also manned by AEs(P) of Division office as Nodal officer for that division and will directly interact with Central Control Room and Circle office in monitoring the Complaints/Reports.
- Daily Rain reports (in prescribed format) shall be submitted by the Division office at 10.00 Hrs to the circle office and circle office in turn shall submit to Central Control Room by 12.00 Hrs which after compilation shall submit to the E-in-C, Principal Secretary PWD, Chief Secretary and the office of the Hon'ble Minister of PWD by 15.00 Hrs. Special report may also be asked by the Central Control Room when heavy 'Downpour' occurs and continues for a longer duration.
- The rain report should include nos. of complaints received on previous day and redressed, points of water logging, flooding, and status, damages on roads, buildings etc and action taken thereof to redress the complaints. **The REPORT SHALL BE SUBMITTED ON THE RAINY DAY, EVEN IF NO COMPLAINT IS RECEIVED, TILL MONSOON IS DECLARED AS WITHDRAWN BY THE CENTRAL WATER COMMISSION (CWC)**

- Daily Rain reports in standard format, which includes besides Rain report of field the daily forecast and rainfall in the catchments area of river Yamuna, if any, as received from C.W.C and India Meteorological Department will be sent to important offices of Delhi Government like L.G. House, C.M. office, C.S. office, Minister's offices and other concerned Chief Engineers of PWD..
- Two vehicles are provided at the disposal of the officers manning the Central Control Room round the clock for movement on emergency duty.
- Calls given to PWD officers from the Central Control Room shall be given highest priority.

### **Duties and operation of Central Control Room**

- (i). To receive daily discharge from Tajewala Head Works (Now Hathni Kund Head Works) through Central Water Commission (C.W.C.) during flood/Monsoon season, likely time of reaching such flood water in Delhi and to intimate the Department through CEs. (Discharge from Tajewala takes 36 to 72 hours to reach Delhi depending on quantum of discharge).
- (ii). The rainfall data in the catchments area of river Yamuna is received through Indian Meteorological department.
- (iii). All EEs dealing with flood/Monsoon situation have been instructed to place necessary materials, emergency Maintenance Van, Mobile pumping units, Check all permanent pumping stations in running condition. These materials and machinery shall be kept near vulnerable points for use in case of any emergent need.
- (iv). During high floods situation, the EEs deputed on the road front are also supplemented /assisted by other EEs as per exigency of the situation.
- (v). Complaints from the PUBLIC or from any control rooms set up by various agencies in Delhi will be recorded in computer and will be forwarded to the concerned officer-in-Charge of affected area, not below the rank of the Executive Engineer. For problems of high priority, the Chief Engineer concerned shall be informed.
- (vi). The concerned EE-in-Charge shall take emergent action to redress the problem/complaint within 2 hours to 1 day of its receipt and report to the

- Central Control Room depending on nature of complaint. The Central Control Room then passes the feedback to the complainant, if his contact number is available with the department.
- (vii). The departmental officers may also inform the Central Control Room about any such problem whenever they see in their own even if the problem pertains to others jurisdiction. This will also be dealt with as in para (vi) above.
  - (viii). If feedback report is not received within time specified above, the concerned Superintending Engineer shall be informed and if no feedback/report is received, even from him, then the Chief Engineer concerned shall be informed for necessary action at their level for redressal of the complaint/problem by necessary administrative/technical actions.
  - (ix). It is expected that official in central control room shall tackle the complainant wisely with a cool mind.
  - (x). Senior officers may visit the Central Control Room at any time and get feedback regarding situation prevailing at that point of time in whole PWD.
  - (xi). The Central Control Room shall be provided with necessary details of Roads, Flyovers, and Buildings etc with a list of concerned Junior Engineer to Chief Engineer.

Information relating to the road network of PWD along with the telephone numbers of the concerned officers who may be contacted in connection with water logging/flooding on PWD Roads is available at **Annexure-I (Page 26 to Page 73)**.

Details of important telephone numbers and addresses of various authorities, various Control Rooms of Delhi & Central Govt are also given in the **Annexure-II (Page 74 to Page 85)**.
